## **ENVIRONMENTAL POLICY**

Lee-Dickens has established, implemented and will maintain this Environmental Policy to provide a framework for setting environmental objectives. Lee-Dickens is committed to the following environmental principles:

- Lee-Dickens commits to the protection of the environment, including the prevention of pollution, by following a process-based approach and incorporating a risk-based environmental management system into our day-to-day business.
- Lee-Dickens commits to fulfilling its environmental compliance obligations.
- Lee-Dickens commits to empowering all staff to understand the significant environmental aspects and related actual or potential impacts associated with their work and contribution to the overall environmental management effectiveness.
- Lee-Dickens commits to continually reviewing the effectiveness of the environmental management system to enhance our environmental performance.

The Environmental Policy shall be available to any interested parties.
